## Industry Institute Partnership Programs

In the past decade a lot has changed in the interconnected and intelligent world. We believe that it is imperative to share and collaborate across industry and academia to build knowledge, solution and talent for this challenge.

Today's business leaders require greater flexibility, a broader vision and the ability to operate in an increasingly diverse environment. Hence, it becomes imperative for them to keep abreast of modern concepts so as to increase their efficiency and productivity. The PGDM Part-Time and Executive Programs of Vishwa Vishwani, Hyderabad functions as a facilitator in enabling participants from the industry to understand and appreciate the latest industry offerings.

The program delivery and teaching is conducted at the corporate premises in and around Hyderabad and course work highlights the change you bring at your work, with respect to your peers, colleagues, organizations and environment. The program focuses on strategizing the complexities of a business situation. Instruction aids such as simulations, videos, cases, books, reading material and online resources form an important part of the teaching strategy.

The PGDM Part-Time and PGDM - Executive Programs are fully Approved and Accredited by All India Council for Technical Education, Ministry of Human Resource Development, Government of India.

## Collaborate to Compete

The right learning happens only when, there is a right mentor, who plays the role of a Guide and Coach. At Vishwa Vishwani, Mentoring is the mode of learning and we religiously practice it by forming various collaborations and building relationship. The Mentoring Process is supported by the expert and eminent mentors from Birla Institute of Management and Technology- BIMTECH, New Delhi, under an exclusive collaboration for Student and Faculty Exchange, Joint Research and Training for both Faculty as well as students.

We look forward to meeting you.

### Courses Offered

| COURSE           | DURATION  |
|------------------|-----------|
| PGDM (Part Time) | 24 Months |
| PGDM (Executive) | 15 Months |

### PGDM – Part Time

The PGDM Part-Time program is a 24 months management course offers you a unique opportunity to enhance your knowledge base, maximize your leadership potential, and expand your corporate network, all while maintaining a balance between your personal and professional lives.

The program allows you to continue your full-time professional activities while developing skills that boost your career to an international management level and that will raise your profile within their current organization.

The PGDM – Part Time is designed for working professionals, to sharpen their business acumen and analytical skills, as they move up the corporate ladder.

The program aims at preparing a genre of T-shaped professionals - persons with domain expertise coupled with appreciation for the broader perspective of the organizational goals along with leadership qualities. The participants will acquire a definitive edge over others as they master the skills to handle unprecedented business situations resulting from the growing complexities and dynamics of the corporate world.

### Eligibility Criteria

Any Recognized Bachelors degree of minimum 3 years duration with 50% aggregate and a minimum of 1-3 years relevant full time post qualification experience at executive level.

### PGDM - Executive

The PGDM - Executive Program is a 15 months management course that provides accelerated learning experience that transforms high-potential managers into powerful leaders. This is an intensive program designed to enhance skills and capabilities essential for responsible positions at senior management.

The PGDM - Executive is designed for working professionals, to sharpen their business acumen and analytical skills, as they move up the corporate ladder.

The program promotes an innovative approach, creativity and a design way of thinking in all aspects of business, in sync with the demands of the industry. The intensive curriculum with specializations like Marketing, Finance, Human Resources, Information Technology & General Management compressed in the short duration enables an impactful second stint of their career.

The program allows you to continue your full-time professional activities while developing skills that boost your career to an international management level and that will raise your profile within their current organization.
