We train business champions

Expert coaching is an important in the boardroom as it is on the playing field. TVV students receive support from faculty and instructors who offer an important balance between business theory and practical, real-world application. We help you face the tough challenges of today's more competitive business world, with a winning combination of encouragement and instruction that you will need to outlast and outperform the competition.

We will train you for the sprint and the marathon

Vishwa Vishwani develops the skills you will need for making smart, data-driven decisions. From your first day in the institute onward, you’re fulfilling the challenges in your job, our robust learning frameworks for problem solving offer the professional tools that you will rely on throughout your career.

Our alumni are engaged in your future success. As part of the V V experience, you will benefit from being part of the extensive Vishwa Vishwani network. Our alumni are some of the most successful executives and entrepreneurs in the country and elsewhere, and they regularly come back to the campus to share how they did it.

Hyderabad – the futuristic city

Hyderabad with its vibrant economy and growth rate is offering a wide canvas of career opportunities for fresh management graduates when compared to cities like Mumbai, Delhi, Chennai, Kolkata, Bangalore and Pune.

Why MBA at Hyderabad?

Hyderabad is one of the fastest growing cities with IT corridor, special economic zones, investment parks and new township. The World Bank group ranked Hyderabad the second largest Indian city for doing business.

Hyderabad is home to more than 1300 IT and ITES firms, that includes Global conglomerates like Google, Apple, Microsoft, IBM, Infosys, Deloitte, Tech Mahindra, TCS, Wipro and many more.

Among the 22 Universities in Hyderabad there are 3 Central Universities (HCU, EFLU, MANUU), 3 National Institutes (IIT, NIT, IIIT), NALSAR Law University, BITS and 5 Top Business Schools (ISB, SMS-HCU, OU-CCMB, GMR Business School and Vishwa Vishwani Institute of Systems & Management).

The Information Technology Investment Region (ITIR), Hyderabad is an IT investment region jointly being developed by Govt of India and Govt of Telangana. The ITIR Project is aimed at providing direct employment to 1.5 million people. The Government proposed to develop the infrastructure for ITIR at an estimated cost of over 74, 213 crore.
